## THE TRIP

This is a fairly minimal trip to keep the costs down – just a good weekend of fun and laughs and some fantastic riding.

We are starting and finishing the ride at Goring on Thames, It's not the official start Winchester is but it seems Goring is easier by train for most and it also means the not so stunning section of the

ride is over with on day 1 and leaves some of the most stunning off road riding for the following 2 days culminating with an amazing descent into Goring on Sunday afternoon. You never know if you all get in on time we could have a roast somewhere. Riders please could you get to Goring train station in time for a 10am depart on the Friday that would be fantastic.

### **ACCOMMODATION**

The accommodation provided on the trip is Petersfield Premier Inn then Stonehenge Hostel. You can bring what food you want, you can get breakfast at the hotel – Its up to you – no pressure on this one do as you please.

### **BIKES AND EQUIPMENT**

I strongly recommend that you ride a mountain bike or a high volume tyre gravel bike for this one – there are a few road sections but the majority of it is off road on the Ridgeway and the South Downs way. Feel free to bring a road bike but you may get vibration white finger.

### **BAGGAGE ALLOWANCE**

Bring whatever you need

### **SUPPORT**

Due to the amount of off road riding on this trip support will be limited – advise to be self sufficient to fix punctures and to carry a first aid kit. I will meet up with you where the trail crosses roads etc for refreshments.

### **FOOD**

Fridge and the freezer in the van so feel free to bring what you want if you intend to self cater (Hostel )
